Sarah Kidner

About the Artist:

“At the market, relaxing in a café, talking with friends; all these aspects of daily life are where I find my inspiration. I love to capture moments where people are enjoying themselves. I look for gesture and body language, anything that tells a story. Most of all I am inspired by the everyday small occurrences that happen all around us all the time. It is in these small moments that I believe we truly celebrate life.”

Biography:
